Medical Passport™

To provide you with excellent care, we ask that you complete your health history through our secure online portal. Medical Passports are secure, online patient-controlled accounts that provide medical history information to your healthcare team and are easily updated for future procedures.

How to Complete Your Medical Passport Online:

New Users:

Click 'Register' to create your first Medical Passport.

1. Enter your demographic information to create your account.
2. Answer the questions to complete your online health history.

Returning Users:

If you've previously created a Medical Passport Account, you will need to log in to update your health history.

1. Enter your original username in the 'Welcome Back' area.
2. Once you've successfully logged back into your account, click on the button located on the top right of the page.
